Not all insurances cover in office testing at 100%. They make take a co-payment, put it towards your in office deductible or just out right deny it. Many insurances companies take an additional copay or co-insurance on in office testing. Please verify your coverage with your insurance company.

We follow the recommendation of the American Academy of Pediatrics for all procedures that are conducted on your child. We are unable to verify every single procedure and its coverage under insurance for each member. If you wish your child not to have a test recommended by your physician then we request you to sign the office waiver.

Please ask your Medical Assistant for a copy.
